All-School Recommended Student Supply List 2023-2024

High School

Here teachers have provided their recommendations of supplies that they believe will best serve students from the first day throughout the school year. The following, **while not required**, represent examples of what is useful; no particular brand is required to be purchased. Families may work from this list, or they may find it convenient to purchase one [EduKit](#), an assembly of supplies that also helps raise money for the school. **Please note** individual teachers may request additional supplies not listed here; if this is the case, you will receive notice from these teachers directly.

- (2) 3 ring binders – 2" recommended (for handouts)
- (1) 3 ring binder – 1.5" (Spanish/French)
- (1) 3 ring binder - .5 inch, black, for drama scripts (11th/12th grade Drama)

- (1) Protractor (9th grade only)
- (1) Small stapler and staples
- (1) GRAPHING calculator (see note below for details)

CALCULATOR NOTES: All 9th through 12th grade students need a graphing calculator for math. It works best to buy any version of the TI-83 or TI-84. These models are key-for-key compatible; the main difference is a slightly faster processor and more memory in the TI-84.

DO NOT PURCHASE a TI-89, TI-92, TI-Nspire CAS (non-CAS is OK), or anything with a QWERTY keypad. These calculators have functions that are prohibited during assessments. Students are free to buy another brand (e.g. Casio, Sharp, HP); however, teachers will be instructing based on the TI calculators and will likely be unable to provide support. **ANY OTHER ELECTRONIC DEVICES ARE FORBIDDEN.**
