

Homework Club 2026-2027

Scottsdale Preparatory Academy (*grades 6-12*)

Homework Club is a place for your student to complete homework, arrange for tutoring, and quietly socialize with friends in a supervised environment. The program runs every school day (*including half days*) after school until 5:30PM.

Payment Plan:	Cost (+ \$25 registration fee):
Yearly (non-refundable)	\$1350 for first child, \$1150 for each additional child
Monthly (Best option for student athletes. Please check the athletic calendar for seasonal dates)	\$200 for first child, \$150 for each additional child
Only Early Dismissals (Wednesdays) & Half Days (Paid yearly)	\$600 per child

HOW THE PROGRAM WORKS AT A GLANCE

- Homework Club is open to students grades 6–12. It operates every school day (*including half-days*) from after school until 5:30PM.
- Once you register via Configio and submit your students' registration forms, you may begin sending your child to the program.
- Upon dismissal at the end of the school day, students will have 25 minutes to gather their belongings, have a snack, and proceed to the Homework Club in room 224, where they will sign in and begin their work.

Homework Club Start times:

Regular dismissal – 3:30 pm

Early release – 1:30 pm

Half day release – 12:30 pm

- 5-minute grace period: Students are not considered “late” to Homework Club unless they arrive more than 5 minutes late.
- If students have another extracurricular, need to attend tutoring, or have an athletic commitment prior to or during Homework Club, they may sign into Homework Club afterwards, once they are finished with the other activity, but they must arrive with a pass from the teacher, coach, or tutor supervising the other activity.
- Parents do not need to communicate to us which days their children will attend; parents are responsible for instructing their children on which days they should attend Homework Club, and on which days they will be picked up before Homework Club.
- We do not assume responsibility for registered students unless and until they physically sign into Homework Club. Once they sign in, we will be responsible for them until parents pick them up or until they are dismissed for an athletic practice.

For more information, contact:

Mr. Douglas Mathieux

DMathieux@ScottsdalePrep.org

Homework Club is:

- In a supervised location where students can work and study quietly after school until 5:30.
- A part of the Scottsdale Preparatory Academy community, and therefore subject to the same behavioral standards. During the silent study first hour students are expected to maintain the same discipline and decorum as they would in the classroom. Disregard for behavioral expectations will lead to the issuing of detentions along with the potential to not be welcomed back to Homework Club (without a refund).

Homework Club is **NOT**:

- Babysitting, after school entertainment, or free tutoring by the monitors. Monitors are happy to answer the occasional question but are not required to work with students individually for an extended amount of time. ***
- A time to use phones or other technology, except when contacting parents.

*** Looking for TUTORING? Sign up for peer tutoring or reach out to individual teachers through our tutoring website. You can also contact our Dean of Academic Support regarding tutoring opportunities for students. Tutoring can be done during Homework Club. PAYMENT POLICIES

For All Families

- You will pay the non-refundable registration fee of \$25 online to begin the enrollment process.
- Your first payment will be for a full month's cost, or for the full year, regardless of when you join, and will not be prorated.
- Monthly fees are paid through a recurring, automatic charge to your credit / debit card usually on the 28th of the prior month.
- You may withdraw from the program with no penalty if you notify Mr. Mathieux in writing by the **25th of the month prior** when you desire to withdraw.
- **Non-attendance is NOT a form of withdrawal.**
- Please note that **no refunds** will be granted for withdrawals requested after the 25th of any month for the following month.
- Please note that partially-used months **will not be prorated** and that the **discounted pre-pay rate cannot be partially refunded.**

Schedule Breakdown For Homework Club

For All Students

- From **3:30 - 4:30** students will be in classroom(s) 224 (and 223 if necessary due to capacity)
 - During these first 60 minutes, Homework Club will effectively operate as a quiet study hall where students will have the opportunity (in a controlled setting) to work on their homework or study for any of their classes. Students are expected to be working on their homework or studying for any upcoming quizzes or test for the entire 60 minutes.
- From **4:30 - 5:30** students will move, as a group, to the MPR / Back Patio
 - Students will be free to continue with their studies, or play with our selection of board games, athletic equipment, (volleyballs, basketballs, soccer balls, tennis balls, hula-hoops etc.) or read any of the books we will have available. They will also be allowed to use their phones so long as they do not serve as a distraction (i.e. playing music or viewing / creating any inappropriate content) for other students who wish to continue to work on their studies.

Behavioral Expectations & Policies

For All Students

- We want to create and foster as studious an environment as we can for students (especially for the initial first 60 minutes.)
- While in the classroom(s) students will be held to the same disciplinary standards of any other SPA class during regular school hours. They will be expected to sit quietly and work. No food will be allowed in the classroom, cellphones may be among their personal belongings but must **NOT** be used, unless they are checking for messages from a parent. **Infractions for the cellphone policy will result in the phone being confiscated**, until a parent picks up the phone.
 - Multiple (more than two) phone infractions will result in a detention that will have to be served two school days later.
- As is it vital for our staff to have accurate counts of students, we will be enforcing a **strict tardy policy** for Homework Club.
 - Students who wish to attend must be in the room by 3:30pm (1:30 for early-release days and 12:30 on half-days). This provides students with 25 minutes from the time of final dismissal to gather their things, have a snack, and socialize before they are expected to be in the room and working.
 - 5-minute grace period - Students are considered “tardy” to Homework Club if they arrive more than 5 minutes late. Students arriving after 3:35 without a note from a teacher or extra-curricular supervisor will be marked as tardy. **3 tardies will earn them a detention.**
- **Multiple detentions** (more than three in a quarter) **will result in your student being dropped from HWC.** ** Fees are NOT refunded for students removed from HWC for disciplinary reasons. **

Regarding cellphone usage

- **After** the quiet study hall portion of Homework Club, students are free to use their cellphones with the following restrictions:
 - **No vulgar music, no inappropriate content, and no photos/videos taken of themselves or other students while on school property.**

Parental Guidance on Pick-ups

For all Parents and Guardians

- The included ‘Registration & Authorization’ form is now mandatory for attending Homework Club as we will be occupying a classroom on the secured premises. Please be sure to fill this out along with the other two registration forms. We will **not** release students from Homework Club **unless** they have been properly signed out.
- **Multiple late pick-ups** (more than two after 5:30 pm) **will result in your student being dropped from Homework Club.** (Exceptions, of course, will be made for emergencies and unforeseen circumstances, but it is vital that a parent or guardian contact the Homework Club monitor to make us aware of any developing situation.)
- When arriving to pick up your student, please text dedicated Homework Club phone:

(480) 761-1972

Mission Statement

We understand both the academic demands of SPA as well as the realities that families face regarding parent/guardian work schedules. More importantly, we understand these forces can adversely affect a student's ability to study effectively. We seek to provide students with a safe and studious environment to help alleviate some of the stresses (for both student and parent/guardian alike) associated with getting home later in the evening and still having work to finish. We also hope that the structured environment associated with Homework Club aids in building more long-lasting study habits for students moving forward in their academic journey.
